NUSNA delegates at the 66th NSNA Convention

Six NUSNA-SD Delegates attended the 66th NSNA Convention on April at Nashville, Tennessee. This year, NUSNA received the "Most Outstanding Social Media Award" for our Facebook page.

The delegates had an amazing and rewarding experience as they were able to network with other nursing students and further their professional careers.

Two of our NUSNA Directors, who are also CNSA Directors, attended as alternates for the State of California.
