NUSNA Welcomes our new Faculty Advisor, Tammy

Tade MSN, RN! We are honored for her to join us and are extremely grateful for her taking on this role. Many of us have had the privilege of being in clinical or lecture with her. Her passion for her students and patients are undeniable. She takes the time to tell stories to help connect the content we are learning to real life. She takes the time to know her students and truly cares about helping to develop us as amazing nurses. Her compassion, empathy and work ethics are great examples to us all. Thank you for everything you do and continue to do!
