The B E A T

A black ECG (heart rate) line graphic is superimposed over the background. The line starts with a flat segment, then rises sharply to a peak, falls to a trough, rises to a second, lower peak, and finally levels off. The letters 'The B E A T' are integrated with the line: 'The' is positioned to the left of the first peak, 'B' is above the first peak, 'E' is above the first trough, 'A' is above the second peak, and 'T' is to the right of the second peak.

Message from the Editor

By Megan Armstrong, Cohort 47
Communications Director

Hello Faculty,

Another month has come and gone, can you believe it? October has been a good month for NUSNA. Our delegates attended the CNSA Convention in Pomona (look out for their article in our December **student** newsletter), we had some great community service events, and we are setting our sights on the upcoming Holiday Cheer Event (which will be on November 30th). We may be getting to the end of the year, but we are as busy as ever.

The end of October also marks the end of Cohort 45's journey! They have completed their program and only have their White Coat and Pinning ceremony left; we look forward to seeing you all there! But as we say goodbye to one cohort, another one begins. The carousel keeps on turning.

Be sure to check out page 4 of this newsletter to get more information about the upcoming White Coat ceremony as well as NUSNA fundraising events coming up in November. Page 3 also lists some upcoming community service events that still need Faculty volunteers.

NUSNA in the Community

Eric Paredes Save a Life Foundation - Teen Cardiac Screening October 15th

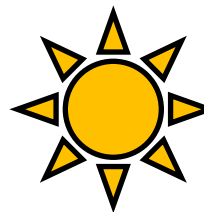

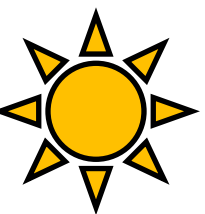

Giro di San Diego GranFondo October 22nd

FACULTY NEEDED!

Faculty is still needed for the Shower of Blessings on Wednesday, November 8th and the Silver Strand Half Marathon on Sunday, November 12th.

Email [Kyle](#) to sign up for this event.
