Faculty,

This will be my last newsletter as Communications Director. I am so pleased and honored to introduce you to Megan Armstrong! She has been on my committee since I started this position and will continue to expand this position in an amazing way. I am honored to have helped create this Faculty Newsletter and hope that it has kept everyone more informed about NUSNA. I hope this continues to foster and promote the positive and collaborative relationship that the students have with the faculty. Thank you for everything you have done for us along this nursing student journey.

Brittany Haradon, Outgoing Communications Director
